*Turnaround time is based from the moment we receive all the relevant and necessary specifications to complete the work, including but not limited to: text, images, logos, print specifications or dielines. If we do not have all the necessary content and specifications, we will be unable to complete the work in the outlined timeframe. All Same Day work sent to us after 4pm EST will be delivered before 4pm EST on the following business day.

**All deposits will be counted towards the total project cost. Payment in full will be due upon completion of the work. If payment is more than 10 running days late, a late fee of 1.5% per running day of the remaining balance will be applied until entire balance and late fees, if applicable, are paid in full.
